LOS ANGELES – Frankie Valli & The 4 Seasons have sold more than 100 million records worldwide. More than 40 years after lead singer Frankie Valli, guitarist Tommy DeVito, bassist Nick Massi and keyboardist Bob Gaudio first topped the charts with “Sherry”—the first of three consecutive #1 hits—the group is back in the spotlight. Thanks to *Jersey Boys*, a Tony[®]-winning musical based on the band’s story, the music and legend of Frankie Valli & The 4 Seasons are both finally getting their due. The musical is currently playing to sold-out crowds regularly at the August Wilson Theater in Manhattan and the Curran Theater in San Francisco. Additional openings are scheduled for later this year at the Ahmanson Theatre in Los Angeles on May 25, and at the LaSalle Bank Theater in Chicago on October 6. By 2008, *Jersey Boys* will also have played in San Diego, Seattle, Houston, Tampa, Minneapolis, Cleveland and several other cities.

Rhino honors Frankie Valli & The 4 Seasons with a spectacular boxed set featuring three CDs filled with 76 tracks of the band’s biggest hits along with terrific album tracks, top-notch B-sides, plus a DVD packed with rare live performances. An 84-page booklet accompanies the set and features rare photos and track-by-track commentary from such music and entertainment icons as Bob Dylan, Brian Wilson, Barry Manilow, Quincy Jones, Cher, Neil Diamond, Fats Domino, Steven Van Zandt, Barry Gibb, Johnny Marr, Billy Joel, Itzhak Perlman, Regis Philbin, Nicole Kidman, Keith Urban, and Joe Pesci, among others. **JERSEY BEAT – THE MUSIC OF FRANKIE VALLI & THE 4 SEASONS** will be available June 5 at retail and digital outlets and at www.rhino.com for a suggested retail price of \$64.98. A digital version, including 76 tracks and two videos, will also be available at all Rhino Entertainment 3400 West Olive Avenue, Burbank, CA 91505 • ph: (818) 238-6200 fax: (818) 562-9235

digital retail outlets for a suggested retail price of \$39.99.

Representing the most comprehensive Frankie Valli & 4 Seasons collection ever released, the bonus disc contains a long-awaited compilation of the group's videos ranging from an early appearance on *The Steve Allen Show* to a rare live performance of "Rhapsody."

The collection highlights the band's early success—13 Top Ten hits between 1962 and 1967—including songs like "Sherry," "Big Girls Don't Cry," "Dawn (Go Away)," "Rag Doll," and "Let's Hang On!" Arranged chronologically, the tracks follow the group through

different lineups and continued success with "Working My Way Back To You," "Opus 17 (Don't You Worry 'Bout Me)," the #2 smash "Can't Take My Eyes Off You" and a cover of The Shirelles' hit "Will You Love Me Tomorrow."

The set also includes "My Eyes Adored You" and "Grease," a pair of #1 hits Valli recorded solo in the '70s; along with two #1 hits by The 4 Seasons, "Who Loves You" and the million-selling single "December, 1963 (Oh What A Night)" the first single without Valli's lead vocals; plus the 1984 single "East Meets West," a collaboration featuring Frankie Valli & The 4 Seasons harmonizing with their West Coast musical brethren, The Beach Boys.

Writing for the boxed set's liner notes, Dennis Diken, drummer for the Smithereens and music historian, summarizes The 4 Seasons' "instantly recognizable" sound circa 1965: "Fans looked forward to an arresting drum kick-off or a *sotto voce* preamble that set up musical adventures, like the big-beat 'Bye, Bye, Baby (Baby Goodbye),' and 'Let's Hang On!,' where Frankie's lulling intro is assaulted by one of *the* badass, snarling riffs of all time, giving flight to a four-on-the-floor stomp with beefy horns, vibes, and prominent bass that spoke Motown, Seasons-style."

Thanks to the success of *Jersey Boys*, millions of theatergoers have gained a new appreciation for the music and legend of Frankie Valli & The 4 Seasons. The musical production based on the life story of the band was nominated for eight Tony Awards in 2006 and walked away with Tony's for *Best Musical*, *Best Performance by a Leading Actor in a Musical*, *Best Performance by a Featured Actor in a Musical* and *Best Lighting Design of a Musical*. The rags-to-riches tale of four blue-collar kids working their way from the streets of Newark to the heights of stardom continues to resonate with sell-out Broadway crowds since its debut in 2004 at California's La Jolla Playhouse.
