

At this wonderful time of year, we think of friends and family. And, I couldn't think of better friends than those I have in the UK. I met wonderful people when I toured your beautiful country, and I have had the privilege of meeting you and other fine people at the Fan Conventions. I want to take this time to wish all of you a Merry Christmas, a Joyous Holiday Season, and a Healthy, Happy New Year. **Joe Long**

*Within our hearts, we are all composers, musicians and performers when we exercise the international language of love. Be remembered as one whose purpose was to bring comfort and joy into the lives of all creatures.*

I would like to wish everyone a safe and Merry Christmas. I'm very glad to have been a part of a legendary group that made so many people happy. Getting to meet and talk with some of the fans recently, was a real treat. Hope we can all get together again soon. **Bill DeLoach**

*May all my fellow 4 Seasons fans have a wonderful, safe holiday and a Happy, Prosperous New Year...May it be the best ever!! Peace and Love, Peace and Love, **Fino Roverato***

*"Wishing everyone, everywhere... peace, love, health, and happiness." **Lee Shapiro***

**Yipees!! Christmas is here again! Its thirty years ago that the Seasons I performed with, broke up. Yet I know that somewhere in the world there are folks who still remember me. Its nice to be remembered. Naturally I wish you all a great Christmas season and more importantly good health. "Who Loves You?" **John Paiva****

As you probably know, I replaced Tommy DeVito and performed in the UK in 1971. We did "Top of the Pops" (a video which occasionally can be found but is quickly discontinued due to some right of usage infraction). Shortly after the UK tour, I left the group and returned to London to record at Morgan Studios, a time for me of great creativity. Many thanks to you and all the fans of the Four Seasons. My time with Bob Gaudio and Frankie Valli was rewarding. Merry Christmas!

**Bob Grimm**

*And a message from us:*

*At this holiday season we remember those who are no longer with us and cherish the ones who are. May your New Year be filled with love, peace and happiness. Ken, Lynn, Ray, George and (of course)*

*Casey Chameleon xxxx*

It's been a good year for our friend Charlie Callelo who sent us this message:

**"This has been a wonderful year. Engelbert and I re-united after 33 years and made some beautiful recordings. He is singing better then ever and I am glad to be a part of the team that supports his extraordinary talent."**

**And finally to bring the curtain down on a great year.....**

# JERSEY BOYS

**"Well, what year it has been for the Four Seasons in London. The Prince Edward Theatre has been busier than ever! 2009 included our awards season and we were fortunate enough to pick up one or two...the highlight of course was winning the Olivier Award for Best New Musical.**

**We want to thank everyone at The Four Seasons UK Appreciation Society for the wonderful support you have shown us at Jersey Boys. We wish you a happy christmas and hope to see you all in the 'old neighbourhood' very soon.**

**Ryan, Stephen, Glenn and Philip x"**

**Happy Christmas Everyone**
